

Join Maryland's leader in supporting young children, their families and their child care providers.

**MARYLAND  
FAMILY  
NETWORK**

**Please become a member today.** If you are a child care professional, Maryland Family Network will offer you extensive training opportunities to improve your skills and help you provide the best possible care. We will provide you with resources to get the most out of your child care business.

Since 1945, Maryland Family Network – formerly Maryland Committee for Children and Friends of the Family – has worked to ensure that all children and families have the resources to learn and succeed.

As part of the Maryland Child Care Credential, child care professionals earn a Professional Activity Unit for membership in a professional association. Membership in MFN meets and exceeds this requirement.

Our public policy team will keep you current with resources and policy alerts when issues need action. By supporting parents, the child care community, and early care and education advocates, MFN strengthens each one.

When you become a member of Maryland Family Network, you support our work in the legislature, in the child care community, and for families and children across the state.

**Become a member  
so we can work for you!**

### PROGRAMS & SERVICES

- LOCATE: Child Care** A resource & referral service for parents in search of child care. LOCATE offers information on all regulated child care programs in Maryland. Make sure your information is up to date.
- Training Programs** Our training calendar provides a comprehensive list of trainings to improve skills, learn new methods and explore a broad range of topics at every level and in every part of Maryland. Find it on our website: [www.marylandfamilynetwork.org](http://www.marylandfamilynetwork.org).
- Maryland Child Care Resource Network** This public/private partnership is designed to strengthen Maryland's child care system, offering services on a local level at the twelve resource centers across Maryland.

### BENEFITS

- One Professional Activity Unit for the Maryland Child Care Credential.
- Reduced fees for MFN training programs.
- Email updates, newsletters and training tips, including the online Training Clearinghouse Calendar with listings across the state.
- Email alerts about government actions that will directly affect you.
